So this title caught your attention? That means you want to learn more about **creating wealth**. *The good news is, **creating wealth** is something anyone and everyone can do.* Read this article; know that there is a science, a system to getting rich and creating wealth. By applying the **Law of Attraction** and other **universal laws**, you will get rich. Learn the **science of getting rich**, study it, practice it and then start to attract the riches that you so strongly desire. Hold on to your vision, your dreams and hold steadfast to your goals, and remember, often times, it is not the destination that makes us happy, it is the journey!

Law of Attraction

Understanding the **Law of Attraction** is most critical to your success and in obtaining prosperity and wealth. Simply put the **Law of Attraction** states that

"I attract into my life whatever I give my energy, focus and attention to, whether unwanted or wanted or conscious or unconscious."

This means that you can have anything you choose, no matter how big it is. This means if we learn how to apply the **Law of Attraction**, we can learn how to achieve success, prosperity and wealth. We can receive greater levels of income, than we ever dreamed.

The *Law of Attraction* works because we all have one **Infinite Power**;

- a **God** [the "I AM THAT I AM" of the Abrahamic religions, perhaps? - aka *Jehovah Jireh, Yahweh, El Shaddai, Adonai, Elohim-->Elahim-->Alahim-->Allah?*],
- **Higher Power** or
- **Universe**, and

that we all guide ourselves by laws [including **God's** Laws?];

- *natural laws* of the **Universe** [**Nature**, or the whole of creation/existence/universe, attests to **God** and we cannot claim ignorance or have any excuse for our ignorance, as the **Apostle Paul** wrote almost 2000 years ago: "²⁰For since the creation of the world, **God's** invisible qualities - his **eternal power and divine nature** - have been clearly seen, being understood from what has been made, so that men are without excuse." - **Romans 1:20 NIV**],

such as the

- law of gravity,
- cause and effect,
- polarity,
- action and reaction, and the
- *Law of Attraction*.

The *Law of Attraction* can best be described as a magnetic force,

- that *like thoughts attract like experiences* [actually, in magnetism, *unlike* magnetic poles - such as "north" and "south" poles - attract, while *like* poles repel].
- That these laws of nature are so precise,
- that when man thinks about things, he or she can accomplish *miracles* [⁸Jesus answered: "... ¹²I tell you the truth, anyone who has faith in me will do what I have been doing. He will do even greater things than these, because I am going to the **Father**. ¹³And I will do whatever you ask in my name, so that the **Son** may bring glory to the **Father**. ¹⁴You may ask me for anything in my name, and I will do it." - **John 14:8,12-14 NIV**].

The *Law of Attraction* says that *everything in your life is attracted to you by your thoughts*. The **Universe [GOD?]** takes these thoughts as instructions [prayers?], and manifests what you think about and focus on, into your life's experience. What kind of instructions [prayers?] have you given the **Universe [GOD?]** so far? [More humbly, what prayers - specifically, requests for blessings - have you asked of **GOD** lately? **Matthew 7:7-8 NIV** recorded Jesus saying, ⁷"Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. ⁸For everyone who asks receives; he who seeks finds; and to him who knocks, the door will be opened." Note: This is the **A.S.K. principle!** Neat, right?]

Think about this for a moment, if you think and focus about how poor and financially strained you are, you will become poorer and more in debt. The more you think and focus on your current situation, wanted or unwanted, the more tolerable or intolerable your situation will become. If you worry and are angry about your lack of money, wealth or prosperity, you are practically guaranteeing yourself an experience of lack of wealth, money and prosperity. If you are constantly jealous and bitter towards others, as they have wealth and you do not, you are going to attract more jealousy and bitterness into your experience. What you resist persists and what you fear perseveres.

Our Thoughts have *Frequencies*

Our thoughts have *frequencies*, so when you think about or imagine what you want, such as great wealth, success and prosperity, your thoughts go out to the **Universe or Higher Power [GOD?]** and the **Universe or Higher Power [GOD?]** brings it to you. So if you see yourself living the life of the rich, in a fabulous house, with an expensive car, glamorous clothing and fine arts, you will attract this into your experience. So whether you are thinking about your past experiences, your present situation or your future, and whether you are remembering, observing or imagining, the **Universe or Higher Power [GOD?]** is listening and responding by bringing that thought and those things right back to you. I recommend you start to *think rich!*

Attracting Thoughts and Things by Using your Mind

Your mind is a sender and receiver of information far beyond the five senses. You can attract thoughts and things into your life, just by using your mind. Think about driving on some remote country road. You try *scanning* your radio to find a new radio station for some good traveling music. Until you tune into a station, you will not hear the music. But that does not mean that it is not already out there, nor that other people are not already listening to it. The same principle applies to whatever you are attracting into your life. What you are experiencing is dependent upon what *frequencies* your thoughts are emitting their information on. When you send it out thoughts or information, a message to the **Universe** or **Higher Power** [**GOD?**], by the power and vibrations of your mind and of your thoughts, you will attract it back to you, into your experience. It is quite a complex theory the first time you hear and consider it. But as you think about it and look around into your world, you will see that indeed this is true. It is a *universal law*.

Chronic Ways of Thought

If one has a prolonged negative chronic way of thinking about their lack of wealth and prosperity, their debt, according to the *Law of Attraction*, these thoughts will manifest into existence. Their experience will be that of more debt and lack of money. If one is thinking of how great their financial success and wealth is, they will have more wealth. If one can accept and practice this concept, one can transform their life.

The key concept to take away is that we are all the architects of our life, good or bad.

- All of our problems are created by us and us alone, not by your parents, partner, boss, friends, accident, upbringing or family [perhaps, **Lucifer** - aka **Satan** and **Devil** - plays a major part, no? Hey! There is a **Spiritual War** going on - ignore that **War** *at your own peril, eternally!*].

- All of our successes were created by us and us alone, not by luck or chance. We have created them, each and every one. This may be really difficult to accept if this is the first time you are hearing this concept. But once you do, your life can transform into a whole new world, with unlimited possibilities and success, good fortune and prosperity. [While "All good things come from GOD" is not exactly in the Bible, **James 1:17 NIV** does say "¹⁷Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows."]

So change those thoughts about lack of money into *thoughts of an abundance of money*. Learn the techniques of *visualization, goal setting*, using a *systematic approach to creating wealth* and you will have it. The *Law of Attraction* is as predictable as the sun setting and rising. We have the power to attract more good things, more good fortune into our experience. [Matthew 6:31-34a NIV has Jesus preaching to a crowd: "³¹So do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' ³²For the pagans run after all these things, and your heavenly Father knows that you need them. ³³But seek first his kingdom and his righteousness, and all these things will be given to you as well. ³⁴Therefore do not worry about tomorrow ..."] One just needs to learn how to apply the *Law of Attraction* [**faith**] and remain focused on what he or she really wants. Consistent thought and affirmations [**faith**] will shift your mind and your energy and allow greater wealth to come into your experience. Most times, this is a learned skill, it requires study, practice and dedication to aspire and experience more. But anyone can learn it and master it. Start today, create your new visions and images of great fortunes and abundance in wealth [**faith**], learn a system of creating wealth [**faith**], learn by the masters [**faith**], the teachers of *The Secret*: wealth generation is a predictable thing; learn the science to getting rich and by law [**faith**] *you will receive it.*

[

- **John 14:13-14 NIV**
¹³ And I will do whatever you ask in my name,
so that the **Son** may bring glory to the **Father**.
¹⁴ You may ask me for anything in my name, and
I will do it.
- **Matthew 7:7-8 NIV (A.S.K. principle)**
⁷ Ask and it will be given to you;
seek and you will find;
knock and the door will be opened to you.
⁸ For everyone who asks receives;
he who seeks finds; and
to him who **knocks**, the door will be opened.
- **Matthew 6:33-34a NIV**
³³ But seek first **his kingdom** and **his righteousness**, and
all these things will be given to you as well.
³⁴ Therefore do not worry about tomorrow ...
- **James 1:17 NIV**
¹⁷ Every good and perfect gift is from above, coming down from the
Father of the heavenly lights ...
